**SEMINAR ON "INTRODUCTION TO NEW SEISMIC GUIDELINES ON HIGHWAY BRIDGES (IRC:SP:114-2018)" ON 23RD JUNE 2018 AT PHD HOUSE, NEW DELHI**

Indian Association of Structural Engineers (IAStructE), national apex body of structural engineers in India is planned to organize **half-day Seminar** on topic **"Introduction to New Seismic Guidelines on Highway Bridges (IRC:SP:114-2018)"** on 23rd June 2018 between 2:30 PM to 05:30 PM at PHD Chamber of Commerce & Industry, PHD House, 4/2 Shri Institutional Area, August Kranti Marg, New Delhi 110 016.

The participation fee is Rs 1,000/- for non IAStructE members. **However, for IRC members 25 % discount is available**. For IAStructE members, there is no participation fee. The Seminar will be followed by high tea. The aim of seminar is to sensitize the bridge designers, proof checkers, authority engineers and client engineers about provisions/adoptability of recently published/released IRC's) new document **IRC:SP:114-2018 "Guidelines for Seismic Design for Road Bridges"**, (i,e. on May 4th 2018 during IRC council meeting held at Aizawl) which is replacing existing seismic provisions of IRC:6-2017. The invited speakers in this seminar are the code makers themselves who were involved in making of this new guideline.

In view of limited available seats, you are requested to quickly send your nomination along with the requisite fee, as applicable or nominate engineers from your organization/department latest by 5th June, 2018. For further details and enquiry, you may contact the IAStructE Secretariat: Mr. Vikas Verma, Manager IAStructE, Tel: 011-45794829, Email: iastructe@gmail.com.
